The Office of Student Financial Aid will apply the Federal Title IV formula to determine the percentage of funds that were "earned" for the portion of the term enrolled. If a student has received more aid than he/she is entitled to based on the date of withdrawal from classes, federal law requires that the student must repay the college within 45 days of notification or lose eligibility for future federal aid payments. The editorial freedom of student editors and managers entails corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo.

BCC Broadcasters

The BCC Broadcasters is an organization which provides all BCC students the opportunity to learn the latest in DV (digital video), H.D. (high definition) and D-9 video technology. Adobe Premiere, Final Cut Pro H.D. and Avid are three of the programs used to edit productions. Cameras and decks are JVC D-9, mini DV, H.D., and DV Cam. Fund raisers are used for field trips and media purchases.

The BCC Broadcasters is a film and video club that develops and produces their own short films, television shows and commercials for fun and experience. Members meet every Wednesday at noon in the TV studio located in the rear of the Central Campus Library, 17-142. Students from every campus are welcome. The advisor for the club is Phil Adamo, TV studio manager at Central campus. Contact Phil Adamo in Building 17-135, or e-mail padamo@broward.edu. His phone number on campus is 201-6421.

The Observer

Broward Community College encourages and supports a free and responsible student press. The Observer, the college's biweekly newspaper, offers student reporters and editors the opportunity to practice all aspects of newspaper work, including reporting and writing, photojournalism, design, graphics, desktop publishing, and layout. The paper is completely student produced, including the preparation of camera-ready pages for print. While many of The Observer reporters and editors are in the journalism programs at North, Central, and South campuses, any student enrolled at the college can work for the paper. Institutional scholarships and work study assignments are available to student editors.

The Observer is widely recognized for its excellence and has won numerous state, individual, and overall awards. Additionally, The Observer has won two National Pacemaker awards, college journalism's most prestigious award for general excellence.

The Observer's main editorial and production office is located on South campus Bldg. 68-268. For more information, contact the Observer office at 201-8035 or via e-mail at bccobserver@yahoo.com. Also, visit us online at: www.broward.edu/observer.

P'an Ku

P'an Ku is the BCC Student Literary/ Arts Magazine which is published twice yearly. The purpose of the magazine is to encourage, promote, and highlight the creative efforts of students throughout the college. P'an Ku has won numerous awards over the years in both state and national competitions.

The magazine contains the work of students from all campuses of the college and is produced solely by students for distribution throughout the college. Poetry, fiction, nonfiction, photography, and artwork are sought for publication. Watch for the announcements of submission deadlines during the year.

Though based on South campus, the magazine encourages students from all campuses to not only submit work but be part of the staff. No special

talent is needed. Students will learn how to select work for the magazine, how to promote the publication, and learn the principles of design and desktop publishing. The only real requirements are commitment and enthusiasm. A limited number of scholarships are available each term. For more information, stop by the South campus production office in Bldg. 68-246 or call 201-8044. Students can also contact Dr. Patrick Ellingham, the faculty advisor, at 201-8858. Also, visit us online: www.broward.edu/locations/southslife/panku/index.jsp.

From P'an Ku we derive Yin and Yang. He is the primeval man born from the egg. One day the egg split open and the top half became the sky and bottom half the Earth. After 18,000 years, P'an Ku died and split into a number of parts. His Head formed Sun and Moon. His Blood the Rivers and Seas. His Hair the Forests, Sweat the Rain, Breath the Wind, and Voice the Thunder. His Fleas became the Ancestors of Mankind. — Myth of Creation

LEADERSHIP DEVELOPMENT

Broward Community College is dedicated to providing opportunities and programs that will continue to develop leaders as well as provide current student leaders opportunities to fine-tune and expand their skills. There are four unique components offered to develop leadership skills of students at Broward Community College, providing both cognitive and experiential opportunities:

Leadership Class (SLS1261)

The purpose of this course is to provide a variety of learning experiences and guest speakers to assess leadership styles and potential. The class is open to all student (and potential student) leaders. It is designed to help develop ethical values, leadership styles and techniques for future educational, organizational and community leadership roles.

Student Government Association

At Broward Community College, the Student Government Association (SGA) is the voice of the students. Student Government has many different functions. One of the functions is to act as the liaison between student organizations and the administration. SGA is the bridge that students are always welcome to cross, which connects the faculty, staff, and administration to the student body. SGA looks for student concerns and finds ways to resolve problems. The membership is open to any and all interested students, without discrimination. SGA also offers various leadership opportunities in many different levels. Selected students become involved in campus, college-wide, district, and state level events.

The concept of TEAMWORK is constantly practiced, and students learn conflict resolution. The Student Government Associations at Broward Community College are always looking for new ideas, faces, and inspiring minds. For more information, contact the SGA office on Central campus at 201-6343; at the Willis Holcombe Center at 201-7377, email sgadowntown@broward.edu; on North campus at 201-2461, e-mail nsga@broward.edu; or on South campus, Bldg. 68-249 at 201-8941.

Competitive Edge

Competitive Edge is a highly selective leadership program. Participants are chosen from all four campuses based on their nomination by faculty members or administrators, recommendations, committee interviews, and demonstrated leadership potential. Shadowing and internship experiences are provided throughout the sophomore year with the President's senior staff and community and political leaders. Legislative internship experience in Tallahassee is available to eligible members. The nomination period begins in February and concludes mid-March each year. For more information, contact the Student Life office on your campus.

Emerging Leader Program

The Emerging Leader Program (ELP) is a leadership development opportunity designed to introduce students to various leadership development skills. Held in a workshop format, the ELP meets weekly on South Campus. Workshop topics include Myers-Briggs Personality, Time Management, Networking 101, Climbing the Corporate Ladder, Conflict Resolution, and Ethics. Participants receive an ELP polo shirt, portfolio, carry-bag, and have the opportunity to participate in all-expenses-paid weekend-long leadership retreats. Disruptive Student Policy

Disruptive Student Policy (BCC Policy 6Hx2-5.19)
The Disruptive Student Policy protects students, faculty and staff from any disruptive behavior of students:

Students who cannot conform to the standards of appropriate behavior as set forth in Broward Community College Policy 6Hx2-5.02, Student Responsibilities, shall not be permitted to interfere with other students' access to a college education. Broward Community College students are subject to federal and state law, county and municipal ordinances, and all policies and procedures of the Board of Trustees. Violation of these published laws, ordinances, or policies and procedures may subject the violator to appropriate action by College authorities. The campus Deans of Student Affairs are authorized to recommend to the Vice President for Student Affairs the suspension or expulsion of students based on disruptive behavior. The Vice President for Student Affairs is authorized to enforce suspension or removal decisions, including the use of appropriate legal processes. Nonviolent student dissent does not fall under the purview of this policy.

For students who exhibit disruptive behavior serious enough to merit disciplinary action, the College may refer the students for appropriate psychological/psychiatric evaluation. The College shall retain the services of a psychological/psychiatric evaluator to assess the behavior and psychological condition of students who exhibit disruptive behavior or threaten bodily harm to themselves or others or exhibit severely disoriented perceptions and/or behaviors. Alternatively, College counselors may be used to assist students who exhibit less severe disruptive behavior.

All records associated with the treatment or disciplinary process shall be kept confidential. Students treated for a mental disorder under this policy are protected by the Americans with Disabilities Act of 1991 and Section 504 of the Rehabilitation Act of 1973.

Students suspended under this policy shall (1) receive a 100% refund for the term during which they were suspended and (2) re-enroll only after certification by a licensed clinical psychologist or psychiatrist, a recommendation from a campus Dean of Student Affairs, and approval by the Vice President for Student Affairs.

Procedures: Dismissal of Disruptive Students

All referrals for immediate intervention with a disruptive student will be made to the appropriate campus/center chief student affairs officer, consistent with

BCC Policy 6Hx2-5.19, Dismissal of Disruptive Students. The campus chief student affairs officer will assess the student's condition, and if further evaluation is needed he/she will consult with the Vice President for Student Affairs and Enrollment Management. The campus/center chief student affairs officer and Vice President will determine whether an evaluation with an agency consultant is necessary, and the Vice President or his/her designated representative will make the referral to a professional clinician for psychological and/or psychiatric evaluation. The campus/center chief student affairs officer may decide not to allow the student onto campus prior to the results of professional evaluation.

The student will be informed by the campus/center chief student affairs officer of the reason(s) that he/she is being referred for the initial evaluation and whether the College will assume the expense for this evaluation. The results of the evaluation will be used by the Vice President, and the campus/center chief student affairs officer, in determining the student's enrollment status with the College.

The College will retain the services of professional clinicians who:

- 1) Are state licensed and have appropriate credentials in the field of mental health, according to State of Florida guidelines.
- 2) Will provide a written evaluation and diagnosis of the student in a timely manner following referral.
- 3) Will provide information regarding follow-up treatment if necessary.
- 4) Have the ability and available personnel to provide immediate crisis intervention, if the severity of the incident or client's condition so warrants.

Re-entry Process: If a student, who has been removed from the College under the Disruptive Student Policy, applies for re-entry to the College, the following process will be followed:

- 1) The campus/center chief student affairs officer must be contacted by the student regarding her/his request for re-entry to the College. The campus/center chief student affairs officer, in consultation with the Vice President for Student Affairs, shall determine if a student will be allowed to return to BCC. Students who are considered likely to disrupt the educational environment or who pose a threat to persons or property will not be re-admitted.

- 2) If a student does not agree with the decision made by the campus/center chief student affairs officer, he/she may appeal to the Vice President for Student Affairs and Enrollment Management.

Sexual Harassment Policy

Sexual Harassment Policy (BCC Policy 6Hx5.20)

The Sexual Harassment/Battery/Assault policy protects against and deals with sexual harassment:

Sexual Harassment: As established in Broward Community College Policy 6Hx2-3.31, Sexual Harassment, the College intends to protect all students from sexual harassment.

Sexual Harassment Defined: For the purpose of this policy, sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature which (1) makes submissions to or rejection of such conduct either an explicit or implicit basis for academic decisions affecting the individual or (2) unreasonably interferes with the individual's academic performance by creating an intimidating, hostile, or offensive environment.

Conduct which falls into the definition of sexual harassment includes, but is not limited to:

- Unwelcome physical contact of a sexual nature such as patting, pinching, or unnecessary touching.
- Overt or implied threats against an individual to induce him/her to perform sexual favors or to engage in an unwelcome sexual relationship.
- Verbal innuendos or jokes of a sexual nature, including graphic or degrading verbal comments about an individual and/or his or her appearance.
- Use of sexually suggestive terms or gestures to describe a person's body, clothing, or sexual activities.

Complaint Procedure: The Procedure for filing a complaint regarding sexual harassment is set forth in BCC Procedure A6Hx2-5.22, Non-Discrimination and Harassment Procedure for Students. All complaints and investigations of sexual harassment will be kept as confidential as possible to the extent allowed by law.

Any student who engages in the sexual harassment of any officer, employee, student, or agent of the College shall be subject to disciplinary action.

Sexual Battery/Assault: No student may commit or attempt a sexual battery/assault against any student or employee of the College or against any person at a College sponsored or supervised activity. In addition to any criminal or civil actions which may be pending or in process, the College may pursue a separate disciplinary action against any student believed to have committed or attempted a sexual battery as defined in Broward Community College Policy 6Hx2-3.32, Sexual Battery/Assault.

Sexual Battery Defined: Commonly referred to as rape, sexual battery shall be defined in accordance with Florida Statutes, Chapter 794.011, as a criminal act consisting of "oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object" without that person's consent. Consent means intelligent, knowing, and voluntary consent and does not include a coerced submission or a submission obtained by threatening the victim. Consent shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender. Furthermore, consent cannot be obtained from a person who is temporarily or permanently incapable of appraising the nature of his/her conduct. For example, a person who is under the influence of an intoxicating substance may be unable to appraise the nature of his/her conduct. Under Florida law, both males and females may be victims of sexual battery. It does not matter whether the victim knew his/her attacker (date/acquaintance rape) or did not know his/her attacker (stranger rape). It does not matter if the victim has had a previous relationship with his/her attacker.

Procedures: Sexual Harassment/Assault

The Non-Discrimination and Harassment Procedure for Students, A6Hx2-5.22, is the appropriate procedure to file a complaint of sexual harassment.

Sexual Battery/Assault: The President has delegated responsibility for administering this procedure to the Campus Deans of Student Affairs. Any violation of Broward Community College Policy 6Hx2-5.20, Sexual Harassment/Battery/Assault, on-campus or at College-sponsored events, shall be reported immediately to the campus/center chief student affairs officer or the campus Provost and/or the Campus Security Office. The chief student affairs officer shall immediately confer with the Vice President for Student Affairs and notify appropriate law enforcement agencies. The investigation of sexual battery/assault shall be the responsibility of law enforcement personnel.

College personnel shall assist by processing evidence, providing names of

witnesses, offering counseling support to victims and their families and arranging referrals to community agencies as necessary.

In order to alleviate rumors and promote understanding and calm, the campus provost/center director, in coordination with the Director of College Relations, shall also provide information to the campus community about the incident.

In the event an alleged perpetrator of a sexual battery/assault is an enrolled student, the chief student affairs officer, campus provost/center director, and the Vice President for Student Affairs shall first consult with law enforcement personnel and the College attorney and then decide whether immediate suspension from the College is warranted, pursuant to College disciplinary process as outlined in the Student Handbook.

In the case of off-campus violations of this policy involving students, the chief student affairs officer, campus provost/center director and Vice President for Student Affairs may assist law enforcement personnel consistent with the Family Educational Rights and Privacy Act and applicable Florida Statutes. Victim counseling and other support shall also be provided according to the needs of the victim and family members.

Non-Discrimination and Harassment Policy

Non-Discrimination and Harassment Policy (BCC Policy 6Hx2-5.22)

The Non-Discrimination and Harassment policy was developed to uphold laws protecting students against discrimination of all types:

General Statement: Federal and state laws protect students and student applicants against discrimination.

- 1) Broward Community College affirms its commitment to ensure that each student shall be permitted to study and otherwise participate in the BCC community in an environment free from any form of illegal discrimination, including race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, and veteran status. The College recognizes its obligation to work towards a community in which diversity is valued and opportunity is equalized. This rule establishes procedures for a student to file a complaint of the alleged discrimination or harassment.
- 2) It shall be a violation of this policy for any officer, employee, or agent of the College to discriminate against or harass, as hereinafter defined, any student or student applicant. Discrimination and harassment are forms of conduct that shall result in disciplinary or other action as provided by the rules of the College.

Definitions:

- 1) For the purpose of this policy, discrimination and harassment are defined as treating any student or student applicant differently than others are treated based upon race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, or veteran status.
- 2) Conduct that falls into the definition of discrimination includes, but is not limited to:
 - a) Disparity of treatment in educational programs and related support services on the basis of membership in one of the listed groups.
 - b) Limitation in access to participation in athletic, social, cultural or other activities of the College because of membership in one of the listed groups.
 - c) Discrimination of the foregoing types on the basis of sex, unless based on legal distinctions in needs for restrooms, athletics, and other such areas.
 - d) Retaliation for filing complaints or protesting practices that are prohibited under this policy.
- 3) Conduct that falls into the definition of harassment includes, but is not limited to, harassment based on race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, or veterans' status. (For harassment on the basis of sex, see Policy 6Hx2-5.20 Sexual Harassment). Within the context of this policy, harassment is defined as conduct that unreasonably interferes with a student or student applicant's status or performance by creating an intimidating, hostile, or offensive environment. It includes offensive or demeaning language or treatment of an individual where such language or treatment is based typically on prejudicial stereotypes of a group to which an individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual.
- 4) Scope of prohibitions: Activities covered under this policy include, but are not limited to, all educational, cultural and social activities occurring on campus or sponsored by BCC.

Procedures: Non-Discrimination Policy

Administration: The campus chief student affairs officer on each campus/

center shall administer procedures as they apply to students. The campus chief student affairs officer shall answer inquiries regarding procedures contained in policy and may provide informal advice to students who are unsure whether they have been victims of discrimination or harassment.

Informal Complaints: Any student or applicant for admission to the College who believes that he/she has been the subject of discrimination or harassment may seek advice or consultation from the campus chief student affairs officer or a Counselor who may informally advise the complainant in formulating a plan for resolution of the problem. Should the problem not be resolved satisfactorily using the informal process, the complainant shall have 30 days to file a formal complaint.

Formal Complaints: A formal complaint must be made in writing and submitted to the Campus Provost/Center Administrator. The written complaint shall contain the name of the complainant and state the nature of the act(s) complained of, including such details as the name of the alleged offender(s) and the date(s) on which the offending act(s) occurred, the name(s) of any witnesses, and the desired resolution(s). A formal complaint must be filed within 180 days of the alleged act(s) of discrimination or harassment or within 30 days following the informal complaint resolution.

The Campus Provost/Center Administrator may attempt resolution during the course of an investigation of a complaint. The Campus Provost/Center Administrator shall involve the campus chief student affairs officer in the investigation of all student/student and student/employee complaints.

If resolution of the complaint was achieved between the parties and the alleged offender fails to abide by the agreement or retaliates against the alleged victim, the Campus Provost/Center Administrator may require the complaint to proceed as if resolution had not been reached.

If the complaint involves the Campus Provost/Center Administrator or if the complainant believes that the Campus Provost/Center Administrator may lack impartiality, the complainant may choose to file a formal complaint with the Vice President for Student Affairs and Enrollment Management.

Resolution: The Campus Provost/Center Administrator may provide a reasonable resolution to the complaint and may also recommend or take disciplinary action against the alleged offender. Disciplinary action shall be taken in accordance with the Student Code of Conduct in the case of a student, or in accordance with the policies and procedures affecting the class of em-

ployee, consistent with the terms of any applicable collective bargaining agreement.

Prohibition of Retaliation: No College student or employee shall retaliate against a complainant. Any attempt to retaliate against a student, employee, or agent for initiating a complaint shall be treated as a separate incident of discrimination or harassment.

Confidentiality: All complaints of discrimination, harassment, or retaliation and investigations of the same will be kept as confidential as possible to the extent allowed by law.

Frivolous or Malicious Complaints: In the event that a claim of discrimination, harassment, or retaliation is found to be frivolous or malicious, appropriate College sanctions, including disciplinary action as appropriate, shall be taken against the complainant.

Concurrent Grievance: Nothing contained in this procedure shall affect the right of a complainant to pursue the matter with an appropriate external agency.

Informal and formal complaints regarding the academic treatment of students with disabilities will be referred to the campus Office of Disability Services to assure that Disability Services Grievance Procedures have been exhausted. If those procedures have been exhausted without a resolution agreeable to the student, that student may contact the College's ADA Coordinator, Marcia Conliffe at 201-7634, or email mconliff@broward.edu, or 225 E. Las Olas Blvd. Rm 125C, Ft. Lauderdale, FL 33301.

The Equity Coordinator is designated to coordinate compliance with civil rights protections. Questions pertaining to educational equity, equal opportunity or equal access should be addressed to Dr. Edward M. Henn at 201-7405, or e-mail ehenn@broward.edu, or 111 East Las Olas Blvd. Rm 1208, Ft. Lauderdale, FL 33301.

Grievance Process

Grievance Process (BCC Policy 6Hx25.23)

The Grievance Policy assures rapid resolution of conflicts between students and faculty:

The College encourages students to resolve their differences with College

employees as soon as possible; however, in order that students may be assured fair consideration of their problems, a means of review and appeal to a higher-level authority, without prejudice, is hereby established.

Grievance Defined: For the purpose of this policy a grievance is defined as a student’s perception of the improper application of College policies or procedures.

Any student has a right to file a grievance. The President shall establish appropriate procedures for facilitating grievances.

Procedures: Grievance Process for Non-Instructional Issues

Informal Resolution: The student shall informally submit his/her grievance, either verbally or in writing, to the supervisor of the department where the alleged improper application of College policy or procedure occurred. The student must submit his/her grievance within 30 calendar days after the incident is alleged to have occurred and the grievance must refer to the specific College Policy or Procedure that was unfairly or misapplied. Students may choose to either ask for a specific action on the part of the College or are free to simply voice their grievance without asking for any action on the part of the College.

Formal Resolution: If a satisfactory resolution cannot be reached with the supervisor of the department, the student may formally appeal the decision, in writing, to the next higher level supervisor. The student must submit his/her grievance within 30 calendar days after a response is received from the informal process. Appeals to higher levels of authority end with the appropriate campus provost/center director, or appropriate vice president.

The Vice President for Student Affairs may serve as a liaison between students and staff at all levels of the grievance process.

HIV/AIDS

HIV/AIDS (BCC Policy 6Hx2-5.16)
The HIV/AIDS policy assures compliance with the Americans with Disabilities Act of 1990:

The Americans with Disabilities Act of 1990, Section #504 of the Federal Rehabilitation Act of 1973, and the Florida Educational Equity Act prohibit discrimination against persons with disabilities. Any student with HIV or

AIDS may seek assistance from any Campus Disability Services Office. The following policy has been enacted pursuant to Florida Statutes 240.3191, 240.3192, and 240.3193.

In recognition of human immunodeficiency virus (HIV) infection and acquired immune deficiency syndrome (AIDS), the campus student life offices will coordinate a program consisting of education, prevention, activities, and counseling services. Students will be referred to community and governmental agencies for additional support as necessary.

No student will be denied admission to the College on the basis that he/she has HIV. The College will not inquire of any potential student as to whether or not that person has HIV except where health records are required. In accordance with Florida Statutes 381.609, and the American College Health Association's Recommended Standards and Practices for a College Health Program, any student who informs the College that he/she has HIV will be afforded confidentiality regarding disclosure of their medical condition. No person, group, agency insurer, employer, or institution shall be provided any medical or other information without the prior specific written consent of the affected person. In the health sciences, medical records or other information will not be disclosed unless required by the health care agency where the student is acquiring clinical experiences. Students with HIV/AIDS who do not pose a threat to the safety of themselves or others will remain in classes.

The Broward Community College Student Handbook provides further information concerning HIV and AIDS, including identification of additional campus resources that may provide further information on HIV and AIDS. Any student who feels that they have been discriminated against in violation of this policy should notify the Vice President for Student Affairs.

Student Ombudsman

Student Ombudsman (BCC Policy 6Hx2-5.26)

Broward Community College has designated personnel to serve as ombudsmen to advocate for student issues:

The campus/center chief student affairs officer shall serve as the campus/center Student Ombudsman, and will serve as an advocate for students' general issues and concerns. The campus/center chief student affairs officer will guide students to appropriate personnel, and provide students with appropriate College policies and procedures.

If a student's issue is related to academic standards of progress, graduation

requirements, access to courses, or other academic policies, the campus/center chief student affairs officer will refer the student to the Academic Standards Committee. The Academic Standards Committee makes recommendations to the Vice President for Student Affairs upon reviewing the student's petition and interviewing the student. The Vice President for Student Affairs shall approve or disapprove recommendations from the Academic Standards Committee in his/her role as the College Student Ombudsman.

The College Ombudsman is the Chief Student Affairs Officer for the College, Vice President for Student Affairs, Robert Cabello. The Campus Ombudsman for each campus is the Dean of Student Affairs at each campus, and the Director of Student Affairs at each center.

Procedures: Student Ombudsman

The college provides students with an Academic Standards Committee which is empowered to address students' requests for exceptions to academic policies.

The chief student affairs officer on each campus or center, in the role of campus/center Student Ombudsman, shall be responsible for addressing student concerns.

The Academic Standards Committee hears appeals from students on matters related to academic policies such as standards of progress, graduation requirements, and repeating courses. The Committee makes recommendations to the Vice President for Student Affairs in his/her role as College Student Ombudsman. The following procedure shall apply to requests for exceptions to established academic policies:

- 1) The student shall complete the Academic Standards Petition that is available at all student affairs offices. The Petition shall include all pertinent and relevant documentation such as transcripts, letters from the transferring institution, medical documentation. If the petition is a request for admission while on suspension or dismissal from another institution, the student should include a letter of support (if available) to attend Broward Community College from the previously attended institution.
- 2) The campus/center chief student affairs officer or designee must sign the petition and forward it to the College Registrar's office no later than one week prior to the scheduled meeting. Exceptions must be approved through the campus/center chief student affairs officer.

- 3) The dates, places and times of the Academic Standards Committee are published in the College calendar and can be obtained from the campus/center student affairs offices.
- 4) In cases involving entering or re-entering Broward Community College after suspension, the student shall be required to attend the meeting. Students will appear before the Committee in order of sign-in.
- 5) After careful review of the petitions the Committee shall make recommendations to the Vice President for Student Affairs. The Vice President for Student Affairs approves or disapproves the recommendations from the Committee.
- 6) The student shall be notified in writing of the Vice President's decision.

STUDENT FEES, CHARGES, AND REFUNDS

Student fees, charges, and refunds (BCC Policy 6x2-6.13)

Students are eligible for refunds in certain specific cases. The following is an excerpt from the complete policy. To read the complete policy visit www.broward.edu/polprocman:

When a student petitions for a refund, he/she must have withdrawn from any class(es) for which a petition is being considered.

Refunds for Degree and Certificate Program Courses: A full refund of matriculation, tuition, and all other special fees categorized as refundable shall be made when official drop notification is received and approved prior to the end of the College's published drop period. Student Financial Services and the Comptroller's Office shall establish refund guidelines pursuant to federal rules.

When a student is required to withdraw from a course after the official drop period, but prior to the midterm date, because of circumstances determined by the College to be exceptional and beyond the control of the student, a 100 percent refund may be approved by the Provost/Downtown Center Administrator as appropriate. Such circumstances may include, but are not limited to, serious illness, involuntary call to active military duty, and other emergency circumstances or extraordinary situations.

ACADEMIC POLICIES

Community College Transfer Guarantee

The Community College Transfer Guarantee assures that students with an Associate of Arts degree are guaranteed specific transfer rights to other state colleges and universities.

Graduates with an Associate of Arts (A.A.) degree are guaranteed certain transfer rights under the Florida Articulation Agreement, Rule 6A10.024. Broward Community College graduates enrolled in an A.A. degree program who are seeking admission to a Florida Public University, will enjoy these benefits:

- 1) Students are guaranteed admission to one of the state universities, but not necessarily to a limited access program.
- 2) All credits earned toward the A.A. degree will transfer to the university.
- 3) The university catalog in effect the year the A.A. degree student enrolled at BCC will remain in effect, provided enrollment is continuous.
- 4) When the general education core is completed at BCC, a state college or university cannot require additional general education courses.
- 5) The receiving university must award equivalent credit for courses successfully completed at Broward Community College for courses in the Statewide Course Numbering System.
- 6) Accelerated credits (CLEP, dual enrollment, etc.) earned at BCC will transfer to a state university.

The receiving university reserves the right to determine what courses students must take for a baccalaureate degree. All A.A. degree credits, although transferred, may not satisfy some specific program prerequisites. A student transferring before completion of the A.A. degree does not have the above guarantees.

Students who believe that these guarantees have been denied during transfer should file a written appeal with the Vice President for Student Affairs at BCC.

Class attendance policy

Class attendance policy (BCC Policy 6Hx2-4.18)

The Class Attendance Policy outlines rules for class attendance:

The College believes that class attendance plays a major role in the teaching/learning process and, therefore, expects students to attend classes regularly and on time. Exceptions to this policy are set forth below.

Faculty Responsibilities

It is the responsibility of each faculty member to formulate an attendance policy for the courses he/she teaches and to ensure that this policy is communicated in writing in the course syllabus within the first week of class meetings. Members of the College's staff are expected to exercise good judgment in the formulation, implementation, and application of their policies.

Non-Class Days

Should unanticipated circumstances that are beyond anyone's control or when concerns are raised about the safety and/or security of the students, faculty, staff, and/or the facilities, the President or his/her designee has the authority to close a campus or the College. For purposes of grading and attendance policies, the day(s) during which the campus/College is closed shall be considered a non-class day(s). When this occurs, each faculty member shall determine how best to make up the lost class time.

Non-Penalized Absences

There shall be no penalty for a student who is absent from academic activities because of religious holy day observances in his/her own faith, the student's serious illness, a death in the immediate family, or attendance to statutory governmental responsibilities.

Student Responsibilities Relative to Non-Penalized Absences

A student shall notify instructors in advance of absence(s) to observe a religious holy day(s) in his/her own faith, and shall likewise notify instructors in advance of other absences when practicable under the circumstances. "Death in the immediate family" shall be interpreted to mean mother, father, spouse, child, brother, sister, grandparents, or grandchildren. "Statutory governmental responsibilities" refer to such matters as jury duty, subpoena for court appearance, or unplanned military obligation. If a non-penalized absence occurs on the first day of class, the student shall notify the instructor of the reason for his/her absence at the next class meeting. Documentation for

non-penalized absences shall be presented by the student should the faculty member request it. The student shall be responsible for the material covered in his/her absence and shall be granted a reasonable amount of time to make up any work or test missed for non-penalized absences.

Extenuating Circumstances

Should a student see a difficulty in observing the attendance policy in his/her class, contact shall be made with the faculty member involved within the first week of class to work out an alternate arrangement. If an alternate arrangement cannot be made, then the student may seek an alternate class, where applicable, that accommodates his/her requirements.

Excessive Absences

Excessive absences from any course, regardless of the reason, may result in withdrawal of the student from the course and/or necessitate that the student repeat the course.

Classes with Special Instructional Requirements

Attendance requirements shall conform to applicable accreditation standards, licensure requirements, or other instructional requirements. Although the make up of laboratory or clinical classes may not be possible, non-punitive provisions will be made for absences caused by serious illness, religious observances, or other approved reasons. These provisions may include giving a student a W or I grade.

Appeals

A student may appeal a Faculty member's attendance policy, or the application thereof, by following the procedure for appeals concerning grades which is set forth in Broward Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Grades and Grade Appeal Process

Grades and grade appeal process (BCC Policy 6Hx2-4.19)

The grades and Grades Appeal process policy establishes a mechanism for students to challenge a grade:

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, limits the number of times a student may attempt a course. An attempt is defined as student enrollment after the 100 percent refund deadline.

Total Attempts College-Level Courses

A student may have only three attempts per course, including the original

grade, repeat grades, withdrawals, and audits declared after the end of the drop/add period. A fourth attempt may be allowed only through a successful petition to the Academic Standards Committee based on major extenuating circumstances. The total attempts limitation, however, does not apply to repeatable courses, such as music, choir, etc., that have been successfully completed and are now being repeated for further skill enhancement; or to courses that are required to be repeated by a regulatory agency; or are being repeated as part of a regulatory requirement for continuing education to stay current in a field, such as teacher certification.

Total Attempts - College-Preparatory Courses

A student may not enroll for more than three attempts in each college-preparatory course. A student who withdraws from a college-preparatory course under major extenuating circumstances may be granted an exception through petition to the Academic Standards Committee. A college preparatory student, who is required to be certified as completing competency-based college preparatory instruction, may not enroll as an audit student.

Faculty Grading Policy

Each Faculty member shall communicate in writing in clear detail his/her grading policy within the first week of class meetings of each course. The policy shall be included in the syllabus for the course. The elements to be considered in calculating the student's course grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. Any appeal on the grade shall be considered against the background and the standard as set forth in the Faculty member's grading policy.

Final Grades and Records

Final grades for each term are recorded and preserved. Reports are submitted to students at the close of term. Grade point averages for graduation and honors are calculated only on college level academic work and include all work attempted at all colleges.

The following grades are used to calculate the grade point average:

Grades		Points
A	Excellent	4
B	Good	3
C	Average	2
D	Passing	1
F	Failure	0

The following grades, however, do not affect the grade point average:

Grades	Points	Grades	Points
I Incomplete	0	NG No Grade Assigned	0
W Official Withdrawal	0	NR Grade Not Received	0
X Audit	0	S Satisfactory	0
XW Audit Withdrawal	0	U Unsatisfactory	0
		NC Non-Credit Course	0

Non-Punitive Grades: Grades which do not affect the grade point average are awarded under the following circumstances.

I Incomplete

An **I** grade may be given in courses where a student in good standing and with documented extenuating circumstances has not completed the required course work by the end of the term. The student should make arrangements to have the **I** changed to a final grade by the Instructor (by the agreed upon date) during the next full semester (summer terms are not considered in this time limit). If no change is initiated during the next full term, the **I** will automatically become an **F** on the student's permanent record. If the course work is completed, resulting in a passing grade, the student's transcript will be amended and final GPA calculated.

W Official Withdrawal

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, requires community colleges to adhere to the following procedures relating to the awarding of a **W** for a student withdrawal from a course.

- 1) The student may withdraw without academic penalty from any course by the midpoint in the semester.
- 2) The student will be permitted a maximum of two withdrawals per course.
- 3) Upon the third attempt, the student will not be permitted to withdraw and will receive an **A**, **B**, **C**, **D**, or **F** grade for that course.

X and XW Audit

A student should indicate the desire to audit a course when registering for the class and cannot change from audit to credit after the drop/add period. Up to the end of the withdrawal period, a student may change to audit with the permission of the Faculty member. A student who audits a course must adhere to attendance requirements of the course and, if the Faculty member desires, in-class requirements. No grade will be assigned and no credit will

be awarded; however, an audit will count as an attempt if such enrollment status is declared after the end of the drop/add period. The transcript will indicate a course was audited by listing an **X** grade, but an **XW** indicating withdrawal may be given the student at the discretion of a Faculty member for failure to adhere to attendance or in-class requirements of the course. A student may take a course previously audited for credit but may not petition for credit on the basis of the previous audit. The cost for auditing a course is the same as taking it for credit. A department may exclude a course from audit status. College preparatory students, who are required to be certified as completing competency-based college preparatory instruction, may not be enrolled as audit students.

NC Non-Credit Course

The **NC** is assigned automatically for any zero credit hour course. **NC** is used for continuing education, economic development, lifelong learning, and other classes for which no credit is awarded.

NG No Grade Assigned

The **NG** is used to indicate that a student has not satisfied the requirements for a non-credit class. It is also used for certain self-paced courses as well as designated Health Sciences and continuing education classes.

NR No Grade Reported

The **NR** is assigned by the Registrar's Office in cases where class rolls have not been submitted in time for normal processing of grades.

S and U Satisfactory and Unsatisfactory

The S and U grades are used only for those courses that have received prior approval through the curriculum review process to award the Satisfactory/Unsatisfactory grades.

Forgiveness

In accordance with *Florida State Board of Education Administrative Rules*, Chapter 6A-14.0301, a student who has completed a course and desires to improve his/her grade for that course may repeat the course only if he/she has earned a D or F grade. The number of repeat attempts is limited to two per course. Repetition of a course removes the previous grade from the student's record only for the purpose of calculating grade point average. The original grade remains on the transcript, but only the grade earned in the last attempt is used for calculating the degree grade point average. The State's Articulation Agreement does not allow courses to be repeated for the purpose of changing a student's grade point average after the associate degree has been awarded.

Withdrawal Under Exceptional Circumstances

When a student is required to withdraw from a course after the official drop period, but prior to the midterm date, because of circumstances determined by the College to be exceptional and beyond the control of the student, a 100 percent refund may be approved by the Provost of the campus, the Downtown Center Administrator, or the Provost of the Center for Health Sciences Education, where the student is enrolled. Such circumstances may include, but are not limited to, serious illness, involuntary call to active military duty, or other emergency circumstances or extraordinary situations.

Grade Appeal Process

The Grade Appeal Processes apply to final course grades and grades received as a result of academic dishonesty. The appeal processes described in Procedure 6Hx2-4.19 provide procedural due process to students.

Grounds for Using the Grade Appeal Process

Any appeal of a course grade shall be considered in comparison with the standards in the Faculty member's grading policy. Each Faculty member shall communicate in clear, detailed written form his/her grading policy within the first week of the course. The policy shall be included in the course syllabus. The elements to be considered in calculating the student's grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. The student's appeal shall be based upon a complaint of inequitable treatment that the student can demonstrate with reasonable evidence. The appeal shall show that the grading policy was misapplied to the student.

The appeal shall be based upon the student's claim that academic dishonesty did not occur. The academic sanction imposed by the Faculty member and stipulated in the course syllabus may not be appealed.

Preliminary Action: Resolution with the Faculty Member. If a student thinks that he/she has been unfairly graded in a course, the student should meet or communicate no later than the second week of the next term with the Faculty member in an attempt to settle the disputed grade and avoid the formal Grade Appeal Process. If the student is uncomfortable with approaching the Faculty member, the Department Head may arrange the meeting between the student and the Faculty member.

Either the Faculty member or the student may request the Department Head/Center Administrator or other college official to be present. If the resolution results in a grade change, then the Faculty member shall initiate said change no later than five working days of the meeting.

Should the Faculty member no longer be in the College's employ and/or be unreachable by any means when the student files a grade appeal, then the student may initiate this process with the Department Head.

If the student is dissatisfied with the Faculty member's decision, then the student may begin the three-step Grade Appeal Process as outlined below. The purpose of this process is to determine whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the *Broward Community College Policy Manual*, in the *Broward Community College Faculty Staff Handbook*, and in the Faculty member's grading policy as transmitted to the student.

At any step, if the student and the Faculty member can resolve the issue, the Appeal Process is concluded. Deviations from the time frames stipulated in the formal Grade Appeal Process must be agreed to by both the student and the Faculty member.

Adjunct faculty may request the assistance of a full-time faculty mentor during the appeal process.

Step 1: Submission of Documents. The student will obtain a *Grade Appeal Request Package* from the Student Affairs Office or the Department Head/Center Administrator's Office. In the completion of this package, the student must include all issues and arguments and must attach all pertinent forms, paperwork, and evidence that he/she wishes to be considered in the appeal. The student must make the written appeal as soon after receiving his/her final grades as possible, but no later than within three weeks after the start of the next term. The process begins with the student submitting the *Grade Appeal Request Package* to the Faculty member via the Department Head/Center Administrator. In the absence of extraordinary circumstances, failure to complete the *Grade Appeal Request Package* in the designated time period will end the student's right to appeal. Students taking sequential courses will be allowed to enroll for subsequent classes, but they are cautioned that should they lose their appeal, they will be removed from the classes. All appropriate funds will be refunded to them.

Step 2: Mediation by Department Head. The Department Head will have five working days to set a date acceptable to all parties for a mediation session. This mediation session shall be within ten working days of the receipt of the *Grade Appeal Request Package* from the student as a result of Step 1.

If the Instructor is also a Department Head, the Dean of Academic Affairs/Center Administrator will designate another Department Head to conduct the mediation. In the case of the Downtown Center, the Center Administrator will ask an appropriate Department Head from one of the campuses to conduct the mediation session.

Following the mediation session, the Department Head will reply in writing to the student as to whether the request is either 'granted' or 'denied.' If the Faculty member has declined to change the recorded grade, the Department Head will convey the Faculty member's rationale to the student in the formal reply. The student will be afforded five working days to decide if he/she desires to pursue the appeal with the Campus/Center Grade Appeals Committee.

Step 3: A Hearing Before the Campus/Center Grade Appeals Committee. If the student is dissatisfied with the results of the Department Head's mediation, he/she may notify the Campus Academic Dean/Center Administrator within five working days of the Department Head's response from Step 2. The Department Head will forward the *Grade Appeal Request Package* to the Campus Academic Dean/Center administrator. The Campus Academic Dean/Campus Administrator will submit the *Grade Appeal Request Package* to the Campus/Center Grade Appeals Committee. For purposes of this procedure, the Center for Health Sciences and the Willis Holcombe Center will be considered separate campuses.

The membership of the Campus/Center Grade Appeals Committee will be chosen from a resource pool of faculty, advisors, counselors, and students. The pool will be jointly appointed by the Campus Academic Dean/Center Administrator and the Faculty Senate President. The Campus Academic Dean/Center Administrator will convene the Committee, which will be comprised of seven members from the pool, and serve as the Chairperson. Faculty will constitute a majority of the Committee. Only one member may be from the affected department. One member will be a student. The remaining members of the Committee will be representative of a cross-section of academic disciplines and student personnel areas.

The Campus/Center Grade Appeals Committee will meet on an as-needed basis. The Committee will have three weeks from the time the *Grade Appeal Request Package* is received to hold a meeting. The Chairperson of the Committee will notify all affected parties of a hearing date no less than five working days prior to the hearing and

will distribute all necessary documentation.

The Campus/Center Grade Appeals Committee will review the *Grade Appeal Request Package*. It will consider whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the *Broward Community College Policy Manual*, in the *Broward Community College Faculty/Staff Handbook*, and in the course syllabus. The student and Faculty member will be advised of the Campus/Center Grade Appeals Committee's decision by the Academic Dean/Center Administrator within five working days of the hearing. The decision of the Campus/Center Grade Appeals Committee will be final and binding, pending a review of the decision and the documentation by the Vice President for Academic Affairs for completeness and consistency.

Grade Appeal Process For Academic Dishonesty

The students, Faculty, administration and staff at Broward Community College value academic honesty as the foundation of the teaching and learning process and are committed to cultivating an environment whereby personal and professional responsibility and accountability are central to all operations.

Breaches of the College's Student Code of Conduct pertaining to academic dishonesty (A6Hx2-5.02) may result in academic penalties at the discretion of the instructor and referral for disciplinary action through student affairs. Academic penalties may include, but are not limited to, a failing grade for a particular assignment or a failing grade for a particular course. Limited access programs, such as health sciences, may outline in program handbooks the sanctions for academic dishonesty which may include dismissal from the program.

Each Faculty member shall communicate in writing a statement on the consequences of academic dishonesty within the first week of the course. In addition to any academic penalties imposed by the Faculty member, the student may be referred to the chief student affairs officer of the campus/center for violations of the Student Code of Conduct.

Preliminary Action: Resolution with the Faculty Member. If a student thinks that he/she has been unfairly accused of academic dishonesty, the student shall meet or communicate with the Faculty member within five working days of the accusation in an attempt to settle the matter. If the student is uncomfortable with approaching the Faculty member, the Department Head/Center Administrator may arrange and attend the meeting between the stu-

dent and the faculty member.

If the resolution cannot be reached between the Faculty member and student, the student may begin the three-step formal Grade Appeal Process for Academic Dishonesty as outlined below. The purpose of this process is to determine whether or not there is sufficient evidence to uphold the student's assertion of innocence.

Should the Faculty member no longer be in the College's employ and/or be unreachable by any means when the student files an appeal, then the student may initiate this process with the Department Head/Center Administrator.

At any step, if the student and the Faculty member agree to a resolution of the issue, the appeal process is concluded. Deviations from the time frames stipulated in the Grade Appeal Process for Academic Dishonesty must be agreed to by both the student and the Faculty member.

Adjunct faculty may request the assistance of a full-time Faculty mentor during the appeal process.

Step 1: Submission of Documents. The student will obtain a Grade Appeal for Academic Dishonesty Request Package from the Student Affairs Office or the Department Head/Center Administrator's Office. In the completion of this package, the student must include all issues and arguments and must attach all pertinent forms, paperwork, and evidence that he/she wishes to be considered in the appeal. The student must make the written appeal no later than five working days after meeting with the Faculty member.

The process begins with the student submitting the Grade Appeal for Academic Dishonesty Request Package to the Faculty member through the Department Head/Center Administrator. In the absence of extraordinary circumstances, failure to complete the Grade Appeal for Academic Dishonesty Request Package during the designated time period will end the student's right to appeal.

Students will be allowed to continue attending the class during the appeal process. Students taking sequential courses will be allowed to enroll for subsequent classes, but they are cautioned that should they lose their appeal, they will be removed from the classes. Any tuition and fees paid for classes from which the student is withdrawn subsequent to this provision will be refunded to them.

Step 2: Mediation by Department Head. The Department Head will have five working days to set a date acceptable to all parties for a mediation session. The Faculty member will submit in writing all relevant documentation to the Department Head prior to the mediation session. This mediation session shall be within ten working days of the receipt of the Grade Appeal for Academic Dishonesty Request Package from the student as a result of Step 1.

Following the mediation session, the Department Head will submit in writing to the student the outcome of the mediation session. If the Faculty member has declined to rescind the allegation of academic dishonesty, the Department Head will convey the Faculty member's rationale to the student in the formal reply. The student will be afforded five working days to decide if he/she desires to pursue the appeal with the Campus/Center Grade Appeals Committee.

Step 3: A Hearing Before the Campus/Center Grade Appeals Committee. If the student is dissatisfied with the results of the Department Head's mediation, he/she may notify the Campus Academic Dean/Center Administrator within five working days of receiving the Department Head's response from Step 2. The Department Head will forward the Grade Appeal for Academic Dishonesty Request Package to the Campus Academic Dean/Center Administrator. The Campus Academic Dean/Campus Administrator will submit the Grade Appeal for Academic Dishonesty Request Package to the Campus/Center Grade Appeals Committee. The student and the Faculty member will be advised in writing of the committee's decision by the Academic Dean/Center Administrator within five working days of the hearing. The decision of the Campus/Center Grade Appeals Committee will be final and binding, pending a review of the decision and the documentation by the Vice President for Academic Affairs for completeness and consistency.

Religious observances

Religious observances (BCC Policy 6Hx2-4.20)

The Religious Observance policy assures the right and freedom of religious choice on campus:

Broward Community College values the right and freedom of religious choice by all individuals. Accordingly, the College will seek not to schedule major college events, such as major class assignments, major examinations, and official ceremonies, on major religious holidays whenever practicable. Reasonable alternatives shall be provided for students to carry out their responsibilities as students when their religious observance, practice and belief interfere with admission, registration, class attendance, examinations, class work assignments, and participation in official ceremonies.

Students may seek redress when they believe they have been unreasonably denied educational benefits because of their religious beliefs or practices by Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Students shall notify instructors in advance of absences to observe religious holy days in their own faith, and shall be excused from such absences without penalty. However, if non-penalized absences occur on the first day of class, students shall notify their instructors of the reasons for their absences at the next class meeting. Students shall be held responsible for material covered during their absences and shall be granted a reasonable time to make up any work or tests missed for non-penalized absences.

All absences shall be subject to the provisions of Broward Community College Policy 6Hx2-4.18, Class Attendance.
